***Prior Art Citation***

**1. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.**

Tokumitsu et al. (5,513,166) and Abe et al. (5,790,505), both disclose an optical disk apparatus capable of establishing and setting the optimum recording parameters by performing test recording on the optical disk.

***Reasons For Allowance***

**2. The following is an Examiner's Statement of Reasons for Allowance:**

The prior art of record alone or in combination does not teach or suggest the method and apparatus for establishing optimum test writing parameters having the combination of steps and elements, along with: the sections for detecting information pre-recorded in the medium; the sections for performing test writing parameters optimization; the sections for setting pre-determined manufacturer-specific optimum test writing parameters; the sections for setting previously established optimum test writing parameters; and the structure of the memory, controller, storage means, detection means and controller means, set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
